STARSTARS PLUS Program

The **CSISTARS Plus** program provides all the personal touches of the **STARSTARS** program **Plus no fee** social tools that **recognize ALL** employees.

The workplace is changing. Eliminate administrative errors and save time by integrating your HRIS data to take advantage of a digital recognition dashboard and social tools for significantly greater impact on **engagement, culture** and **retention**

The **STARSTARS PLUS** Service Award Program includes:

CSISTARS PLUS Social Recognition Tools

Employees can give and receive thanks, acknowledge exceptional effort, congratulate each other on important events and share feedback - easily. This helps you build a culture of recognition.

Results | Innovation | Teamwork | Excellence

These are our core values. What are yours? Promote the values you want employees to demonstrate on your banner and then use the social tools to reinforce their efforts.

Solicit Feedback

Use Pulse Surveys to ask employees about workplace topics such as workload, morale, process improvements or DJ vs band at the holiday party. You choose the questions and how often you want to do pulse checks.

Share Social Recognition and News

All Thank You recognition, service anniversaries, birthdays and new hires are displayed in the recognition news feed. It's a great way to promote the great things your company and employees are doing everyday.

Peer-to-Peer Thanks

Say Thank You for exceptional effort or results associated with your core values. All Thank You recognition displays in the online Social Recognition feed and can be accompanied by a printable custom certificate.

Celebrate Service Awards

Recognize every employee's service anniversary and celebrate key service milestones with an appreciation gift. Milestone anniversary employees receive instructions on how to select and order their gift from the site.

Welcome a new Team Member

All new employees are welcomed in the Social Recognition feed. Use the Comment feature to add your own personal welcome message.

Send Birthday Greetings

Never forget a birthday again. Birthdays can be displayed in the Social Recognition feed. Help celebrate by adding a congratulations comment and printable birthday certificate. Opt out option in Profile.

...all this without any set up or monthly fee.

Our service award programs can operate independently or on the same platform as our Engagement and Performance programs with one single sign-on.
